PUBLIC LIBRARY

LIBRARIAN'S REPORT

Trustees of the Pelham Library

The following report is respectfully submitted.

Number of volumes in the library	4,429
Number acquired during the year, by gift	117
Number acquired during the year, by purchase	30
Circulation of books for the year	4,307
Largest circulation for one month, Jan.	442
Smallest circulation for one month, Sept.	302
Average circulation per month	358
Number of cards issued since March, 1915	32

The library received as gifts 45 volumes of new books from the late George C. Cloyd. The Standard Dictionary of Facts from Miss M. A. Cloyd, 68 volumes from the library of Mrs. Mary C. Berry, also volumes from Otis A. Gage and Mrs. Jane Proctor of Nashua, N. H.

MARY E. HOBBS,
Librarian.

TRUSTEES' REPORT

A steady though slight increase in circulation during the past year shows that the interest is increasing and that the slight cost is appreciated by the people. In fact, the Library is the only thing we have which all the people can enjoy. Our roads are for those who have business to travel over them, our schools are for those who attend them, but the Library is for all and the more it is used the better it is for all, both old and young. The shelf room is becoming crowded and we think an increase in the appropriation should be made for the purpose of securing more shelf room.

During the past year a large number of books from the library of the late Mrs. Mary C. Berry were donated by her family. A fine collection was also presented by Miss M. A. Cloyd in memory of and by the request of her brother, the late George C. Cloyd, who always had a great interest in the Public Library. Our thanks are extended for these donations and also to others who have kindly given papers and magazines and other reading matter for the Reading room tables.

SHEFFIELD H. LYON,
