

CHURCH RECORDS

1st CHURCH OF NOTTINGHAM WEST NH

Rev. Nathaniel Merrill b. 1712 West Newbury MA d. 1796 Nottingham West NH (Abel 3-2, Nathaniel 1) is cousin to Lt. Nathaniel Merrill and Anna Baldwin of Pelham. Rev. Merrill was ordained and settled by the town of Nottingham West on 30 November 1737; his civil contract continued until 11 July 1774, but he continued to preach at the "old meeting house" until his health failed.

The original church & meeting house was relocated to the town center of Pelham. Rev. Merrill was minister to all of the early settlers of the region that eventually became Hudson and Pelham, and played a very important role in their lives, as minister, neighbor and friend.

Rev. Nathaniel Merrill was married to Elizabeth Sargent and their many children born in Nottingham West will be found in the church baptismal and marriage records, located at the end of this book.

We honor his memory in the memory of our ancestors.

I have a copy of the original church records that make for difficult searching and have copied them, grouping them by surnames for convenience. Some names appear to be misspelled and I have copied them as originally stated. This is particularly true of the name Hamlet that should be Hamblet. Researchers of the early settlers of Nottingham West and Pelham should find these records very helpful, and I am indebted to the Historic Society of Hudson for providing them.

Dear William,

At long last, I have completed my offering of early settlers of Pelham history. I hope it meets with your approval and will be of assistance to the Historic Society. This represents three years of research throughout New England.

Thank you for recommending "The Richardson Memorial" book; it is fantastic, and I found connections there that I would have never thought of.

I have a favor to ask of you. Over two years ago you were kind enough to send me copies of two of the original Pelham vital records showing the marriage of Joseph Baldwin and Hannah Wyman on one page, and their children and other children of John and Sarah Baldwin on the other. This is the only record of Joseph Baldwin's marriage and is not included in the vital records that Mrs. Hobbs copied. In order to register Joseph as a Revolutionary Soldier with DAR, I need a cover letter from the Historic Society verifying that that this was provided by the Historic Society. The staff genealogists at NSDAR in D.C. are very picky about documentation. If you will be so kind as to provide a cover letter, I will greatly appreciate it. I have enclosed a stamped, self-addressed envelope with the book. I have attempted to get a marriage certificate from the Pelham Town Clerk and the NH Vital Records in Concord without success.

Hope this finds you well and keeping cool. It is in the high nineties here, not fit for man or beast.

Sincerely,

A handwritten signature in cursive script that reads "Ruth Baldwin Williams". The signature is written in dark ink and is positioned below the word "Sincerely,".

Ruth Baldwin Williams

Subject: You made my day!

Bill,

You cannot imagine how happy you made me by pulling up that information from the NH State Papers. Page 26 of Aunt Kina's book is the very page that I copied to include in Joseph's application to DAR, and now you have made it unnecessary for the DAR genealogist to spend time searching for Joseph's record. Thank you, thank you. Finding Revolutionary Soldiers is a prime goal of DAR, whether they are personal family members or not, but I will wear Joseph's gold soldier bar on my DAR ribbon with pride; he joins Nathaniel Davis, Joseph Blodgett 2nd, Joseph Blodgett 3rd, all from Hudson, and Ezra Briggs of MA. I keep a file on all Revolutionary Soldiers that I find, in the event that a prospective member appears with a history that includes those soldiers; this saves time in getting them registered. My file includes the military information for Daniel Richardson of Pelham, found in Aunt Kina's Vital Records, and the record for Asa Baldwin found in her "Old Days Old Ways". Asa was the son of my uncle Simeon and aunt Abigail Merrill Baldwin.

I am now putting together the book of "Pelham Early Settlers" to donate to our South Suburban Genealogy Society and Library in Hazelcrest IL.

One of the volunteer workers there has a husband who was born in Pelham and knows nothing of his family history, Hopefully this will help him find his roots in a very historic town in New Hampshire or at least give him the desire to do so. I will include the Web Site page for The Pelham Historic Society in this book.

Have a great day,

Ruth Williams
